## Strategic Plan Involvement

Every parishioner in St. Benedict is invited to participate in the important work on our Strategic Plan. We need as many people as possible working on the various elements of the planning process.

We would like to have the teams, committees and groups made up of individuals with specific skills and experience, as well as diverse perspectives and a keen interest in finding out, and carrying out God's will for our Catholic community.

Please indicate in the order of your preference the top five teams, committees, and or groups you would like to be appointed to (1 being highest) and a ✓ mark by those you might also be interested in. To have as many involved as possible, you can participate in more than one.
