

# YOUTH EXPECTATION POLICY

DEAR PARENTS:

With such a diverse youth group & such wonderful youth who like to share about themselves, ☺ sometimes they don't realize how quickly a productive class/event can turn into a class/event that has become disrespectful or disruptive.

We want to make sure that the time your youth spends with us is time well spent!

**We are sending home this EXPECTATION POLICY to you asking you to review it - sign it & return it ALONG WITH THE *Keeping Kids Safe Flier & Computer Use Agreement, with your registration form.***

We want to have the best program for your teens!

*Thank you – Lea Lowry ,Youth Minister*
