## New Year's Resolutions

Some make them to loose weight. Some make them to get in shape. Some make them to spend less and save more money. Some make them to quit things, or learn something new.

How about:

- ✘ A new year's resolution to get a stronger, leaner, more attractive sacramental marriage.
- ✘ A new year's resolution to spend less time on the wrong things and save more time for each other.
- ✘ A new year's resolution to quit focusing on the wrong stuff and learn how to focus on each other.

Then the Our Resolution - Our Marriage Seminar is for you – both of you. This mildly interactive program is all about what makes a Catholic marriage unique, fulfilling, and possible. Topics include:

- Who defined it first
- What's love got to do with it?
- How & why divorce is impossible
- The parent center home
- Christ and his bride
- Theology of the Body for married couples
- Questions never asked.

Presented by Lynn and Barbara Sherman, this seminar is firmly based on the teaching of the Catholic Church, 40+ years of marriage, work in various ministries, and what they have learned over the years as Advocates assisting petitioners seeking annulments.
